

Dear Representative Pascrell,

As of today, we have spent \$1.17 Trillion (**\$1,170,135,600,000**) on the wars in Iraq and Afghanistan. The Department of Defense (DOD) budget for FY11 takes **\$33.7 Billion** from New Jersey. District 7 will contribute **\$3.4 Billion** to the DOD.

The nation's financial crisis had led to deep cuts in community programs. NJ has a desperate need for teachers, healthcare for low income families and veterans, and financial aid for college students. I support NJPA and the New Priorities Network's proposal to cut the DOD budget by 25% in order to provide funds for these valuable community programs.

So we ask you, help us move the money!

Sincerely,

THE \$3.4 BILLION USED FOR WAR COULD FUND 65,284 ELEMENTARY SCHOOL TEACHERS IN DISTRICT 7 FOR ONE YEAR.
