PETITION TO PRESIDENT OBAMA

"One nuclear weapon exploded in one city—be it New York or Moscow, Islamabad or Mumbai, Tokyo or Tel Aviv, Paris or Prague—could kill hundreds of thousands of people. And no matter where it happens, there is no end to what the consequences might be—for our global safety, our security, our society, our economy, to our ultimate survival." — President Barack Obama, Prague, April 5, 2009

Dear President Obama,

We wholeheartedly applaud you for declaring in Prague, "I state clearly and with conviction America's commitment to seek the peace and security of a world without nuclear weapons." We commend you for your courageous and historic recognition that "as the only nuclear power to have used a nuclear weapon, the United States has a moral responsibility to act." We call on you to make good on that commitment and fulfill that responsibility through good faith multilateral negotiations on an international agreement to abolish nuclear weapons, within our lifetime!

Yes we can!!
